# LEOCHARES AGAIN WINNER

SCHORR TWO-YEAR-OLD ONCE MORE TAKES MEASURE OF CALGARY.

Two Crack Juveniles Figure in Nose Finish at Woodbine-Star Charter Has a Close Call in the Toronto Autumn Cup.

Toronto, Ont., September 21.—The final meeting of the Canadian season began today with the opening of the Ontario Jockey Club's fall season of seven days. A splendid program was provided and stirring contests resulted. The first three races resulted in nose finishes and in two of them horses from the stable of John W. Schort were the victors. Pleasant weather and a fast track attracted the full quota of race-goors to Woodbine, the attendance being especially large in the clubhouse enclosure, Much enthusiasm was manifested, especially over the races where the close finishes occurred.

Jockey Teahann rode in good form. He piloted four winners and in two instances landed his mounts in front in the final strides after long and hard stretch drives.

Interest in the afternoon's sport centered in the running of the second race in which the crack two-year-olds Calgary and Leochares met. The former, owned by Robert Davies, a Torontonian, had a large local following and, despite his two previous defeats by the Schort colt. Calgary had a great following and went to the post a weil-backed favorite. On the two previous occasions when they met, Calgary was conceding weight to Leochares. They met at equal weights this afternoon and this, coupled with the fact that the going at Woodbine was supposed to suit the Canadian colt better than that at the Montreal track, was in a great measure responsible for the heavy support accorded him. In the early running Calgary dashed to the front and, showing a creat flight of speed, led by a comfortable margin, while rounding the far turn, Leochares moved up on the outside and caught him and in the long drive through the homestretch the pair fought it out. Calgary always had a slight advantage until the last stride, where Leochares managed to poke his nose in front. The first half mile was run in :47.

Teahann duplicated his skilful ride in the following dash, in which he had the mount on Star Charter. He reserved the Schort horse, permitting Inspector Lestrade and Sotemia to lead him until

The first disqualification on this circuit in some time came with the running of the fourth race, which was won by The Busybody. The latter was ridden by Braziley, a lad of little experience. In the stretch drive The Busybody came from behind and, catching the leaders in the last sixteenth, swerved over in front of them, interfering especially with McAndrews and Malitine. The stewards promptly disqualified The Busybody and the change in the placing gave McAndrews first money, Malitine second and Chemulpo third.

# GRATIFYING RESULTS AT DOUGLAS PARK

Louisville. Ky.. September 21.—The results of the first week of racing at Douglas Park have been highly gratifying not only to the management of the track, but to all lovers of thoroughbred racing. Louisville now can boast of two of the greatest racing plants in the country and each seem secure for success in the future.

The coming week at Douglas Park will be marked by the running of two stakes. These are the Autumn, for three-year-olds and upward, six furlougs to be decided on Thursday, September 26, and the Boulevard Stakes, one mile and seventy yards, to be run on Saturday, September 28. In the former race there are thirty-one nominations and the field is sure to be a large one, with such horses as Ella Bryson, Brig. Sleeth, Campeon, Donau, Casey Jones, Helen Barbee, Follie Levy, Vreeland, King Olympian, Trance, Lady Lightning and Volthorpe figuring as probable starters. In the Boulevard Stakes, the field will likely be made up of such as Bell Horse, Coppertown, Boola Boola, Meridism, White Wool, Princess Callaway, Swamnanoa, Little Father, Mary Davis, Buckhorn, Presumption, John Furlong, T. M. Green and High Private.

Secretary Maginn is now compiling the conditions for the overnight races to be decided during the closing nine days of the eighteen-days meeting. He

# PLANS FOR WINTER MEETING AT JUAREZ

Louisville, Ky., September 21.—Racing Secretary Edward Jasper, of the Jockey Club Juarez, has an nounced eight stakes to be run during the coming winter meeting at Juarez, Mex., which meeting will include one hundred or more days of continuous racing, beginning Thanksgiving day. Thursday, November 28. Entries to these events will close on Thursday. November 7.

The values of these events show an increase as compared with the Juarez Stakes of last winter, and the list in full is as follows:

Juarez Handicap, value \$1,500; six furlongs. Ano Nuevo Handicap, value \$1,500; one mile and sixteenth. Navidad Handicap, value \$1,200; one mile. Dos Republicas Handicap, value \$1,200; seven fur-

ngs. El Paso Stakes, value \$1,200; one mile. Rio Grande Stakes, value \$1,200; six furlongs.

For Two-year-olds of 1912.

Chapultepec Handicap, value \$1,200; six furlongs Chihuahua Stakes, value \$1,200; six furlongs. Chapultepec Handicap, value \$1,200; six furlongs. Chihuahua Stakes, value \$1,200; six furlongs. In addition to the above list, other stakes to be run during the meeting will be opened later on. All of these events are fixtures that have been renewed with the exception of the Juarez Handicap, which is a new stake. The distance in the Ano Nuevo Handicap has been decreased from a mile and an eighth to a mile and a sixteenth, while the distance of the Dos Republicas Handicap has been increased from six to seven furlongs. The Chapuitepec Handicap is to be six furlongs. It was run at one mile and an eighth during the last meeting. The Chihuahua Stakes is reduced from one mile and an eighth to six furlongs and from a handicap is changed to a selling stake.

Manager M. J. Whin also makes the announcement in connection with the opening of these stakes that the Juarez betting ring the coming winter will be open to all reputable layers. There will be no more syndicate betting on the Mexico track.

This will be the fourth season of winter racing at the Juarez course. The meeting there in 1909-1910 ran for seventy-one days. That of 1910-1911 ran 110 days, and that of 1911-1912, 102 days. So far, the track has distributed among horsemen \$592,580 in stakes and purses.

The following are announced as officials for the

coming meeting: President, John G. Follonsbee: general manager, Matt J. Winn; stewards, Charles F. Price, W. H. Fenchler and Matt J. Winn; indges, William H. Shelley, H. F. Breivogle and Ed. Jasper: Starter, Mars Cassidy; racing secretary, Ed. Jasper. Many turfnen of prominence are making their plans to spend the coming winter at Juarez. The fact that it is at present the only certain winter racing ground will draw to it this year many new recruits and practically all the best horses now in training will race there. The management of the Juarez track has gained the confidence of horsemen because it has made good all it ever promised to do. During one season, in order to fulfill its promises to turfmen, the plant was operated at a heavy financial-loss. Until last season the Mexican course was operated at a loss and its profits from the 1911-1912 meeting was by ne means great.

The coming meeting at the course on the Rio Grande promises to be a success in all that the word implies. There will be six or more races every day, Sundays included, with no purse of less than \$300 in added money.

Juarez has an ideal winter racing plant. The climate in mid-winter is like early spring in the north. Rains are rare and snow practically unknown. The hotel accommodations at El Paso across the border in Texas are now equal to those in any great city. A million-dollar hotel has just been completed and visitors to the Juarez track this winter may secure as luxurious accommodations as they desire.

may secure as luxurious accommonations desire.

There is no track in America that is more convenient to reach than Juarez is from El Paso. It requires a car ride from twelve to fifteen minutes and the service is not excelled anywhere in the

country.

Last winter Manager Winn planned many improvements for the benefit and convenience of the public and horsemen. Beneath the grandstand, which is one of the finest ever built, new restaurant quarters have been provided and the old quarters that the restaurant formerly occupied have been fitted up as a reception room for ladies and guests. Every little detail has been looked after this year at the plant and visitors will be amazed at the accommodations afforded by the improvements.

It certainly looks as if the Juarez track might finally come into its own as the foremost winter racing point of America during the coming season.

now has a line on most of the horses stabled here and racing patrons may rest assured that the closing half of the Douglas Park meeting will furnish as good, or even better, sport than the opening week.

As the meeting progresses it may be that some extra features will be provided. Secretary Maginn has in mind a race to bring together some of the Endurance Stakes candidates over a fairly long distance of ground. He has not decided just as yet whether to make the race a mile and a half or two miles, but it will surely be as far as the former distance.

whether to make the race a mile and a half or two miles, but it will surely be as far as the former distance.

He will also put on several races which will give the various crack two-year-olds a chance to more thoroughly try out the \$10,000 Hawthorn, which raced away from his opposition here so impressively on the opening day. Hawthorn is in the Prospect Handicap, to be run on Wednesday, October 2, and most of the stars of the two-year-old brigade here are also engaged in that event. Of course, the big gelding will have to concede his opponents weight. C. F. Buschemeyer, owner of the great colt, and W. S. Trevey, his trainer, have abandoned the idea of taking Hawthorn east to race once or twice this fall. He will round out his two-year-old career on the Kentucky tracks and be retired for the winter with the Derbys of 1913 in view.

Though large crowds have attended the races at Douglas Park this week, there has been no congestion in the betting ring or at the cashiers' booths.

Douglas Park apparently has a great future before it, now that it is thoroughly established again as a racing plant, and it is undoubtedly a fixture in Louisville. That it will continue to grow in popularity is beyond question. Manager Hachmeister is so conducting the plant as to leave no intimation that foreign capital is interested in its losses or profits. He has instructions from the people behind im to make Douglas Park as much of a Louisville

that toreign capital is interested in its losses of profits. He has instructions from the people behind him to make Douglas Park as much of a Louisville institution as possible and to work in complete harmony with the Churchill Downs management to the end that Louisville may become the greatest turf center in America.

# ADAMS EXPRESS IS BADLY BEATEN.

Hallenbeck Crack Cuts Little Figure in Handicap at Havre de Grace Won by Kormak.

Havre de Grace, Md., September 21.—Spirited reacing and a large attendance were features at the local track today. The handicap at a mile and seventy yards attracted a good field. Adams Express ruled favorite, but the Hallenbeek horse found conditions not to his liking and was never a serious contender, the winner turning up in Kormak, which showed keen speed all the way and won with something in reserve. Penobscot was in close pursuit of the winner throughout and beat Adams Express for second money.

Horses from the far west accounted for two of the day's races when John O. Talbott's Joe Knight and L. A. Kraft's Wolferton scored. Joe Knight went to the front when his rider was ready and won easily. In the final race, Wolferton, after being closer up than usual, finished with his customary rush through the stretch and got up to beat Lad of Langden in the final strides, Frach riding a powerful finish. H. G. Bedwell's Righteasy had an easy time winning the first race. She gailoped in front all the way and, Amoret, the favorite, finished third.

T. C. McDowell's George Stoll took the two-vear-old race after Henneck, the favorite, wide

GOVERNOR GOLDSBOROUGH TAKES ACTION

Chief Executive of Maryland Seeks to Put Stop to

The Associated Press sent out the following dispatch from Baltimore yesterday: "Legal measures to stop racing at Havre de Grace were authorized by Governor Goldsborough today. The governor has been informed by his law officers that the Harford County Racing Commission, which controls the Havre de Grace meeting, has never qualified under the law and that therefore all the racing that has been conducted there has been involation of the law. The race track interests are expected to make a fight in the courts in the event of an attempt being made to stop the meeting, which expires by limitation September 30."

Lexington, Ky., September 21.—Through the decision of President Catesby Woodford of the Ken tucky Association, and master of the Raceland Student of thoroughbrods, to sell thirty-four of his brood mares, sixteen yearlings and twelve weamlings in Germany, the running turf in America will suffer monther source losses.

mares, sixteen yearlings and twelve weanlings in Germany, the running turf in America will suffer another severe loss.

These horses are to be shipped from Paris, Ky., to New York on Wednesday next. September 25, and they will leave New York on one of the Atlantic Transport Company's steamships on the following Saturday, September 28, for Hamburg, from whence they will go to Hoppegarten to be sold by auction during the latter part of October under the auspices of the German Jockey Club and under the immediate direction of Mr. George Ehlers, editor of the Deutches Sport. The shipment from Kentucky to Hoppegarten will be under the supervision of Phil T. Chinn.

"This shipment is one of the best collection of mares ever exported from America to be sold by auction in any European country," said Mr. Chinn, in discussing these thoroughbreds, "They are all excellently bred, perfectly sound, young, healthy mares and they are all in foal to such good sires as Star Shoot, Plaudit, Disguise, Peter Pan and Marta Santa. The mares are by Hastings, Ben Brush, Albert, Meddier, Knight of the Thistle, Hamover, Sir Dixon, Voter, Sempronius, Sweetheart, St. Carlo, Teuton, Star Shoot, Hindoo, Goldfinen, Flying Dutchman and Oneka. The yearlings and weanlings to be shipped are by Hastings, Fillgrane, Woolsthorpe, Miller, Star Shoot, Plaudit, Cesarlon and Stalwart, and they are an excellent looking lot, They will compare favorably with any thoroughbreds of their ages in this country today."

YESTERDAY'S RACING MARKED BY GREATEST ATTENDANCE IN HISTORY OF COURSE.

Duval Reduces Track Record for Mile and an Eighth in Winning Overnight Handicap-The Widow Moon Also Breaks a Record.

Louisville, Ky., September 21.—The Becchmont Stakes, for two-year-olds, carrying a net value of \$2,040, was won at Douglas Park today by J. T. Weaver's Gowell, which got home in advance of a smart band of juveniles after a hard drive, Benanet, coupled with Volita as the E. R. Bradley entry, took second money and Smoke House, an outsider, just managing to nose out Star of Danube, the favorite, for the minor portion of the purse. Smoke House showed a sensational perfomance and was probably best.

probably best.
From a monetary standpoint, the Recchmont Stakes was the feature offering of the day, but its running was secondary in point of interest to the contest in the overnight handicap at one mile and an eighth in which the consistent High Private was called on to carry 125 pounds and concede much weight to the other starters. He failed after a gallant effort, and the winning margin of Duval, the victor, was scant. With a better judged ride, the Walnwright racer would have scored. The former track record of 1:54, made by Coruscate with light weight up, was reduced by three-fifths of a second.

# WINNIE O'CONNOR RETURNS FROM FRANCE.

New York, September 21.—Winnie O'Connor, one of the best known of American jockeys who have been riding abroad, has returned to this country. Winnie has been riding abroad for the past ten years, chiefly in France and Germany, where he won many notable races. He announced to old-time acquaintances that he intended to give up riding abroad and to go in for jumping races in America. "I'm going to Havre de Grace in a day or two and look over the fences there," he said. "I'm and Pimlico. I'm in training now and weigh 127 pounds. What I hope to do at Havre de Grace is to buy several flat horses and train them for jumping. In my opinion jumping is the greatest sport of all.

"There's all the difference in the world between racing as conducted abroad, in England, France and Germany, and in America. Gentlemen in Europe breed their own horses and race them, and a race meeting is a fashionable event where women go to display the newest creations in gowns. There is no such thing as a 'sporting fraternity' in racing, which is associated in the public mind with gambling and other forms of vice. In France racing is thoroughly a gentlemen's sport and as clean as a whistle."
